Memorandum

To Paul Burns, Councilman at Large Date March 13, 1979

From Henry P. Wehrenberg, Chairman, Board of Works

Subject Decatur Road Resurfacing

COPIES TO:

As per our conversation Monday afternoon, I had made a previous committment for the same time as City Council Meeting this evening.

You indicated your concern regarding this project is with the drainage. This project as bid is really a resurfacing project with just minimum shoulder work.

The Street Engineer has indicated the following:

1. The project covers Decatur Road north and south of Paulding Road.
2. There is not a drainage problem on that portion south of Paulding Road.
3. This project has been on list for 5 or 6 years.
4. Drainage in a large area is poor and will be very costly to correct.
5. The costs for drainage would far exceed the cost of this contract.
6. The area quite vulnerable to the poor drainage is a very small persentage of this $96,000. contract.
7. Very good bids received, copy of tabulation attached.
8. This is a highly traveled section of pavement. There is a chance that the portion resurfaced, in the questionable drainage area, would hold up until drainage for this area is a reality. This could be several years.

I hope the above answers your questions, together with the Street Engineer, would urge you and your committee to give this a "Do Pass" recommendation.

A thank you for your consideration.

Herewith is Purchase Order No. 0842 which is prepared favoring Rockwell International for Ten (10) 2" Regular Standard Register Piston Meters for Water Maintenance & Service Department.

This is a proprietary item because:

1. Meets with City of Ft. Wayne standards.
2. Other sources of supplies would not be interchangeable with this item.
3. This item is for maintenance purposes.

Attached are the following documents in support of the recommendation for acceptance of Rockwell International.

1. Copy of Rockwell International's quote of 2/1/79.
2. Purchase Order No. 0842.

It is urged that in referring this quote to the City Council for enactment of an ordinance, that all of the attached items, together with this memorandum (or copies), be included with the proposed ordinance.

Please make sure that no confirming Purchase Order Number is given to Rockwell International until evidence of Council approval is furnished to the Purchasing Department.
